

# *Shikharji has arrived!*

*Every once in a few generations, a community, a people, rise up to create a heritage to be proud of. Shikharji at Siddhachalam is our timeless masterpiece in homage to our loftiest aspirations.*

Shikharji at Siddhachalam 2012

*We continue to preserve our heritage*

*We are that people!*

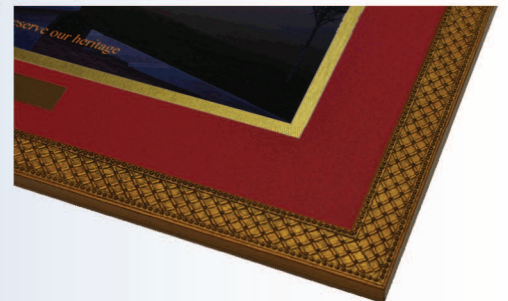

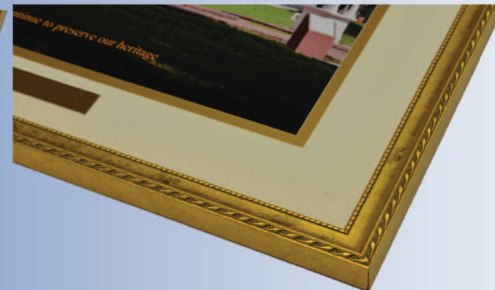

*Congratulations for having brought Shikharji darshan experience to America. We are the first community in America to have replicated, in-full, to-scale, their most important place of pilgrimage. Now, it is our responsibility to help preserve this magnificent creation. Be a leader in a campaign to nurture and maintain Shikharji at Siddhachalam. Make a statement. Say that you care for your heritage. Set an example.*
